

Lumeview Interactive Flat Panel

Dual system optional, both are powerful

You can freely choose between Android and Windows system. Equipped with 4-core CPU, it can easily handle multiple tasks in parallel or load massive files.

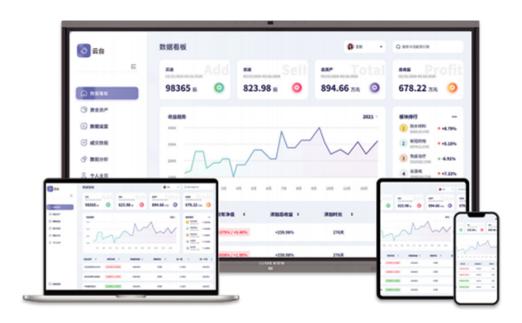

Wireless screen projection is no longer restricted by wires

computers, mobile phones, and tablets can wireless project to the panel, making information sharing convenient and efficient without the constraints of wires

Ultra-high configuration, leaping to the top

Smart writing, ultra-clear camera, 4K ultra-clear display,8-meter long-distance sound pickup

Android / Windows optional

Simple and stylish

It integrates large screen, electronic whiteboard, computer, microphone and audio functions.

Simple gray upper and lower borders, combining technology and beauty.

Screen sharing, writing interaction

48-megapixel video conferencing; ultra-clear, compatible with multiple conference platforms

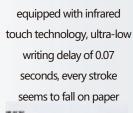

echo cancelation

oler filling and

4K ultra-clear display

Vivid and stunning images Glass hardness ≥7H Anti-glare technology

Restore the pen and

paper experience

intelligent writing,
